

Dear Parents, We would like to thank you all for who attended our Halloween party. We feel it was a great success and the children had lots of fun, whilst parents got to meet and mingle with each other. As the festive season is approaching we will have a few events over the next few months. It will be great to have your participation in our up and coming events.

We have had our 1<sup>st</sup> holiday club which was a success! We got to see those little faces that we have missed who left us to start big school! They attended fun trips & have taken part in lots of exciting activities! Please spread the word to family and friends for future holidays.
