

General Information

Dear Parents I hope you are all keeping well and are staying safe!

As we are about to face another lockdown please be assured that we will be staying open unless instructed otherwise. We will ensure to keep on top of our SOP'S and hygiene in the nursery following Government guidelines.

As the weather is getting colder and wetter please can we ensure that we have hats, gloves and scarfs for the children and also lots of spare clothes as they may get wet or muddy in the garden. Please could I also request that the children have a pair of slippers as many of them like to take off their shoes inside and we would like to keep their feet warm and dry.

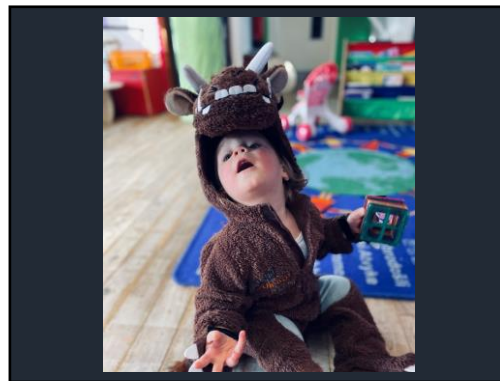

It has come to my attention that quite a few parents have not been logging into parenta . This is an online portal of where your child's key person logs observations of their development and also pictures and videos, it is a great way for you to keep an eye on your children's development. There will normally be at least two posts per week however there can sometimes be a little back log if staff have been engaged with the children all the week and haven't been able to upload. Please be assured they are documented on paper and will be put on the portal as soon as possible. Please send me an email if you do not have your log in details and they will be provided.

November 2020

Topics of the month

**Nursery Topic's for the month of
November – Fireworks, Diwali,
Remembrance Day, Children in Need**

Dates for the Diary:

Parents meetings: (Phone call): 9th-13th Nov. Please email to book slot.

A further email will be sent out regarding times.

Children In need week: 9th -13th of November

What have we been up to?

Pre – School – This month we will be learning our letters M, N O AND P. We will also be focusing on numbers 4, 5, 6 and 7 through songs and forms of mark making. We will begin sending out our library books again for the weekend to be returned on the following Monday , this is in preparation for big school giving the children a sense of responsibility and also for parents to bond with your children through reading at home. We are also getting creative like all the other age groups with our monthly topics of Diwali , Fireworks , Remembrance day and children in need.

Tweenies/Babies- This Month the babies have been making amazing firework artwork using their hands and feet which they absolute loved. In the next coming weeks the babies will also be creating art work using a variety of resources and materials to celebrate Diwali remembrance day and children in need . Look out for our Babies Picassos art work on our social media.

Toddlers – This month the toddlers have been creating shiny, colourful and sparkly fireworks. We are also creating beautiful poppies as we remember our soldiers who have fought in the war! We will also have a visit from our favourite spotty bandanna bear PUDSEY! As we help raise money for children in need through all our fundraising activities. Also we are working on following boundaries and routine within the class room ensuring we are competent with the golden rules and using our manners.

Reviews – If you are happy with the childcare that we provide here at Monkey Puzzle, and have a bit of spare time please log on and give us a quick review. Thankyou.
