DECEMBER 2020

# NEWSLETTER

WELCOME TO OUR MONTHLY EDITION OF MONKEY NEWS

## Dear Parents I hope you are all keeping well and are staying safe!

CHRISTMAS is around the corner and we are enjoying getting in the festive spirit here at nursery! We hope you are all looking forward to Christmas and get to spend it with those loved ones who you may not have got to see much of this year.

As this year is a little different we will not be able to host our Christmas party and Christmas performance. Instead the children will be doing a special song that will be sent over to you via email that you will be able to share with all your friends and family (not to go up on social media please). The children will also be making lovely cards and Christmas decorations for their loved ones to give as little personal presents. We will be having Christmas dinner on the 17th of December for the children who attend in the morning and a Christmas tea for those children who attend in the afternoon.

We will be having Christmas jumper day on the 11th of December but can I also ask that the children wear their Christmas jumpers or outfits on the 16th of December for when we video their performance please. If your child does not attend on that day and you would like them to be a part of the performance please send me an email and we can arrange a time for them to attend.

*Merry Christmas to you all  
& a happy new year!*

## WHAT HAVE WE BEEN UP TO

Pre - School - For the final month of the year Pre-school are very busy pre-paring for Christmas. The countdown to Christmas means so much to us & we have a long list of activities. As always we still continue on learning our letters and numbers of the month. This month they are P, Q, R & S and Numbers 8,9,10 & 11 repetitively. Each week book bags are sent home on either a Tuesday or a Friday to be returned the following week. Please ensure you bring them back on time as they have to be quarantined and cannot be used again for another 7 days. Our Literacy Quiz bee is next week so we will be getting our brains ready for that.

## TWEENIES/BABIES

This month the babies are having lots of fun decorating Christmas decorations using lots of festive materials & have been printing with our little hands and feet. So far we have made snowmen, Christmas trees and reindeers. We have loved our baby baker's class and have so far made Jam stars which will be followed by snowman biscuits and cake pops.

## TODDLERS

This month the toddler will be celebrating Christmas with a variety of different art projects such Christmas wreaths, reindeers, snowmen foot prints etc. We also now have a baking class every week 'COME BAKE WITH US' This month we will be baking festive treats such as mince pies and cookies. We are practicing our cutting skills and using our white boards practicing our mark making skills.
